Selectmen's Meeting

ASKS SEWER CONNECTION

Daniel O. Mahoney of Marblehead appeared with Attorney James Huntoon to ask that Selectmen consider the sharing of the cost of a sewer line to Goodspeed Island. Mr. Mahoney said that he plans, as owner of the island, to divide it into four summer house lots. It occurred to him that since the Town of Mattapoisett owns the beach property adjacent to the island the town might be interested in sharing a sewer connection to the pumping station east along the railroad right of way. He said that he is approaching the matter now while the force main trench is open. He asked if the Selectmen could obtain an estimate for the cost of such a line.

Selectmen Chairman William Hubbard replied to Mr. Mahoney that it would not be possible to install a connector line in the same trench as the force main so this fact would remove the urgency from the proposal. According to Mr. Hubbard the

connector pipe would have to be installed a minimum of several feet from the main line. Any such proposal would depend on a decision of the town meeting, he said, and added that the town has no immediate plan to develop the beach, one reason being there is no site suitable for parking. Mr. Mahoney agreed that the building of a parking lot would spoil the marshland and opined that a walk-in beach would be the only way to proceed. He said that Goodspeed Island has enough high land on its six acre site to accommodate the building of four homes - two for immediate occupancy and two to be built in the future.

The Selectmen were given a plan of the proposed Goodspeed Island development and asked that Mr. Mahoney submit a letter outlining his intentions. The Selectmen said they will consult with Ron Michalski of Tighe & Bond as to the cost of the connecting sewer pipe from Goodspeed Island to the pumping station.

ASSESSORS CONSULT ON COMPUTER

Bruce Rocha, John Gibbons and William Apperson of the Board of Assessors met with Selectmen concerning the changeover to computer operation. Initially the Assessors said that they would like to complete their books and then turn them over to Treasurer Allen Sherman on August 15. Mr. Rocha said that, since they were involved in revaluation, they would prefer a one year delay of the changeover. The Selectmen pointed out that August 15 would not allow time for the conversion of the material to the computer cards and asked that the Assessors' books be given to the Treasurer in alphabetical lots. to be done and returned. The Assessors were not receptive to this method because of the changes being made at the present time. They said that the division of the cards would disrupt their office.

The Selectmen assured the Assessors that these changes would not have any effect upon the initial work on the cards since the initial card would contain name and address and this master card would be keyed to other cards which would contain the detailed information and tax information.

The Assessors agreed after thorough discussion to meet on Wednesday morning and decide whether or not to allow use of their records before they are complete which they did. Their decision was to give the Treasurer access to the cards so that he could begin the key punch work.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it 's new customers we are looking for.

LETTER ON POLICE/FIRE COMPLEX

EXCHANGE STUDENT TO ALL THE NICE PEOPLE OF MATTAPOISETT!

Well, it's not even two weeks until I have to leave Mattapoisett to go back home. And, since I can't write a letter to every single friend (and there are quite a few of them around) I decided to write one to everybody. Here it comes!

But it isn't as easy as you think it is! This one is now the fourth try and it's one without "sincere thanks" and words like "gratitude" and "never forget you". I write only what I really feel.

It is to my host family because they could stand me for such a long time and to ORR High School where I learned "a few things" (especially in Mr. Fuller's room), it is to the town beach - life guards and wharf musicians and all the people who invited me on all sorts of trips, it's also to those who taught me good American slang of which I'm sure my English teacher at home doesn't even know half and to all the other nice people who helped to make my time in Mattapoisett so super that I wanted to say a very affectionate:

Front and Main Streets in Marion.

In the parish center will be the "Country Store" with its tempting array of home-made candies, fresh cheese, and lots more. Also in the center auditorium will be the popular "Chapel Cafe" with its delicious menu of sandwiches and goodies with the famous lobster rolls topping the bill of fare. Outside there will be a hot dog and cold drink stand for young fair goers.

There will also be a midway with its games, prizes and surprises for all the young people -- balloons, popcorn and cotton candy.

For the second year there will be a children's pie eating contest which was a popular attraction last year.

Chairmen for the event this year are Mr. and Mrs. Anthony Ashley of Marion.

For a fun day you'll enjoy and remember, come to the Fair! this Saturday, July 29th, in Marion.

Many things have happened to celebrate the twentieth anniversary of the Art Center this year: THE BIRTHDAY PARTY, THE CAST PARTY, and now THE SIDEWALK SHOW which began as a clothes line exhibition of local artists' work in 1958. The founders of the Center worked hard to find a place where all of the arts could be combined, and so the charming old Universalist Church on the corner of Main and Pleasant Streets is such a facility. Tradition and innovation combine to make viewing as well as doing a reality at the Marion Art Center.

Viewers will enjoy the displays of arts and crafts as well as live demonstrations of weaving, pottery, scrimshaw and metal working. For entertainment, local musicians will perform at various times to be announced. There will be no admission charge. The public is invited to share this event in the twentieth anniversary celebration. Proceeds go toward the scholarship fund awarded annually.

Council on Aging

In this week's edition of Presto Press you will find our ad listing all trips planned for August. Please clip the ad and post for reference for this month. As far as I know the August 3 trip to the Highfield Theater is fully subscribed, as tickets had to be bought ahead of time. There is no chance here unless someone wants to surrender his ticket.

Please note the date of the Sakonnet Vineyards and Winery trip -- Wednesday, August 23. We will be visiting the vineyard and winery and wine tasting. You may buy any if you wish. At the Sea Land of Cape Cod in Brewster there is a dolphin show, various aquariums, a penguin rookery, and a seal pool. Please remember to make your reservations by calling at or phoning the Selectmen's Office on Monday or Thursday between the hours of 10:00 A.M. and 12:00 Noon.

The Council on Aging wishes to again emphasize that all Seniors, whether only summer residents or year-round, are entitled to our trips. Also, please remember that we reserve the right to refuse a reservation for a second trip, such as to Cuttyhunk Island, when we have others desiring to go on their first trip.

At the annual meeting of the Firefighters' Auxiliary Mrs. George Heath was elected president, Mrs. Clifford Tripp, Jr. vice president, Mrs. Albert Heuberger secretary, and Mrs. Allan Travers treasurer.

Mark and Michael Kelley, sons of Mr. and Mrs. Paul Kelley, Rock Street, were recipients of this year's scholarships.

It was voted to hold a rummage sale in the Congregational Church Parish Hall on Friday, September 22, from 7 to 9 P.M., and Saturday, September 23, from 9 A.M. till noon. Donations for this sale will be greatly appreciated.

The first meeting of the new season will be September 20 in the Fire Station Hall. Wives of Mattapoisett Firemen are invited to attend.

A get together at Marc's followed the meeting. A great way to end a very successful year for the Auxiliary.

Editorial, D.C.J.

Fluoridation is controversial. Leaving all of its merits and the objections aside, Governor Michael Dukakis' pocket veto of the fluoridation referendum for New Bedford is a very different and more serious issue. The Governor was described as feeling that, "fluoridation is medically useful and that a referendum isn't the best way to deal with what is essentially a medical question". .

Right on, "Doc" Dukakis!

That is the main point. Is it a proper function of a politician or bureaucrat to deny the people the right to decide on mass medication? We assume that Mr. Dukakis has

no quarrel with the initial referendum which was favorable to his view of medication even though it was so badly written that some voters were under the impression that they were endorsing a program already in progress.

Rights are very much in the news. Most of the champions are liberals such as Governor Dukakis. But the rights have to bend in the proper direction, it seems.

We have at stake here two rights: 1) Should a population be forced to submit to medication administered through a public water supply? 2) Should the same population be denied a vote on such an important issue? A fluoridation advocate might feel that the Governor is right - that the people should be medicated because they don't know what is best for themselves. O.K., then, if this is acceptable, what would be the reaction to the administering of tranquilizers to a water supply? That is only one step away on the same basic principle. Tranquilizers are medicine. Certainly a tranquilized voter would make it simpler for a politician to practice medicine or anything else he desired.

This veto by Governor Dukakis is consistent with his own opinion of a medicine

JUNIOR ALL STARS

In the first game of the Lakeville Tournament the Junior Stars entered the bottom of the sixth trailing 9-6. Coming from behind we tied it up with a double, hit by Jeff Haymaker. We actually won the sixth; however, an appeal was made on one play and we were forced to go the seventh. Our opponent, Brockton, scored two more runs to take an 11-9 advantage, but with strong determination the Juniors once again come from behind on a double play by Kevin Sweet to tie up the game, and with bases loaded Matt Lanagan walked in the winning run to take Brockton 12-11.

The tide turned for the Junior Stars in Game 2 with Cedar Grove. This outing showed us a pitcher who presented a no-hitter and a 5-0 win.

The Juniors will be meeting Stoughton which will be a do or die situation for both teams.

The Junior All Stars consists of the following: Matthew Avery, Tom Guard, Damon Frazee, Robert Haley, Jeff Haymaker, Kurt Kroninger, Matthew Lanagan, Brian Levine, Tim Purtell, Glen Szela, Kevin Sweet, Mike Walega, Sean Reed, and Roland Poitras.

VOLUMES OF COLOR NATURE LIBRARY

Seven volumes of the Color Nature Library are the latest acquisition of the Children's Museum in Dartmouth and are on display in the book corner of the center in Russells Mills. The books were purchased with money donated by the 4th grade class of Mrs. Rogers at the Potter School in memory of Jody Fusaro, a classmate who was killed in an auto accident on June 6, 1978. Miss Fusaro had been on a class visit to the Children's Museum shortly before her death. Published by Crescent Books, each volume is filled with many beautiful color illustrations, as well as having a concise and interesting text, and center around a particular subject. Titles of the books are: THE WONDERS OF NATURE, SMALL ANIMALS, SEA LIFE, WILD ANIMALS, BIRDS, MUSHROOMS AND TOAD STOOLS, AND VENOMOUS ANIMALS. Each book will bear a memorial inscription.

Rodgers and Hart

SMU THEATRE COMPANY PRESENTS RODGERS & HART, CABARET-STYLE

The names Richard Rodgers and Lorenz Hart are virtually synonymous with the kind of music that makes you want to hum along, smile a lot, and maybe get up and dance. The Southeastern Massachusetts University Theatre Company will offer an entire evening of such tuneful favorites in its second production of the season, Rodgers and Hart: A Musical Celebration, beginning on Thursday, July 27.

Featuring memorable songs from many Broadway shows produced by the famous collaborators, Rodgers and Hart will be performed cabaret-style in the SMU Campus Center at 8 P.M. on July 27, 28, 29 and 30.

The revue will include some of Rodgers' loveliest music and Hart's most literate lyrics, such as "Blue Moon", "With a Song in My Heart", and "Manhattan".

For tickets and other information please call the SMU Theatre Company at 997-9321, extension 765.

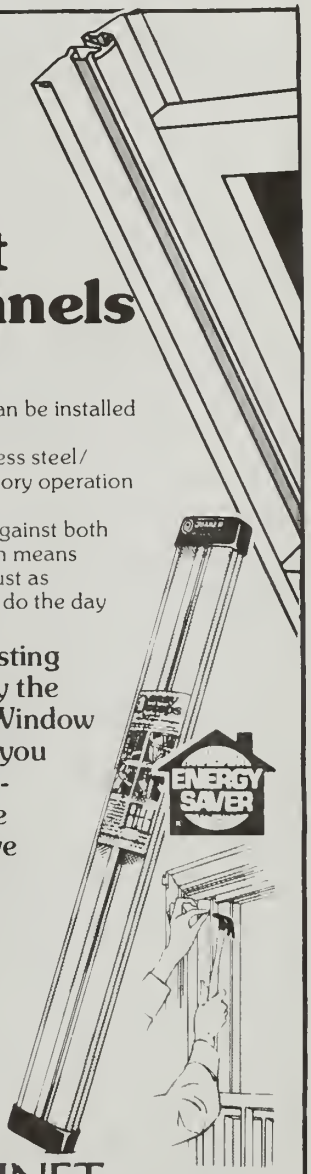
Loose windows are a waste.

QUAKER®

Replacement window channels are a groove.



- It's the only compression system that can be installed without any special skills.
- An ingenious holding device and stainless steel/aluminum construction assure satisfactory operation for the life of the windows.
- Its gentle spring-pressured resistance against both the inner and outer portions of the sash means your windows will move *up* and *down* just as smoothly in ten or twenty years as they do the day of installation.

We don't believe in wasting time. Or energy. That's why the sooner you use QUAKER Window ..Repair Kits, the better off you will be. QUAKER® Replacement Window Channels are the effective way to conserve precious energy. Seals out dust, dirt, weather...locks in air conditioning and heat. They're easier to install than a new window and at a fraction of the cost!

Quaker Channels fit standard 1⅜" wood sash.
